Beautiful new villa being built in the popular Ciudad Quesada, Costa Blanca South. Modern and contemporary design in a beautiful location. Very spacious terrace and a private swimming pool. The house has 3 bedrooms, 2 bathrooms and a separate toilet. The spacious living area combines the living & dining room. The functional kitchen has an open look and completes the whole nicely. What is very important to us as real estate agents is that the finishes are of very high quality. The villa includes air conditioning, solar panels, private swimming pool, fiber optic internet, on-site parking and all lighting both inside and outside.
