Luxurious design villa in top location in the Costa Blanca South, Dehesa de Campoamor.

These detached villas are an ideal option for those looking for something unique and an exclusive home on the Costa Blanca South. These spectacular properties are located in the natural environment of Dehesa de Campoamor, in Orihuela Costa, amidst the beautiful Mediterranean forest, with impressive panoramic sea views.

In this construction project it is possible to choose your own plot and housing model, possibly with its own pool, garage, basement and with different layouts, numbers of bedrooms and finishes according to your preference, and always according to the highest quality standard and with contemporary design. Open spaces, neutral colors and optimal use of daylight were the starting points for the design of these modern villas a few meters from the Mediterranean Sea.
