DreamhouseSpain presents a modern new build complex in the heart of San Pedro del Pinatar.

There are homes on different floors for sale and have 2 or 3 bedrooms, 2 bathrooms, with open fully equipped kitchen with white goods - Bosch or Siemens, living room, large terraces, fitted wardrobes, fully equipped bathrooms with underfloor heating, air conditioning, electric shutters, closed storage room, parking space with 16 Amp socket for electric cars.

The complex curls beautifully around the communal area that is beautifully finished as we may expect from this project developer.

The location has all daily amenities within walking distance. The cozy beaches of the Mar Menor are only 2km away.

San Pedro del Pinatar is known for its many facilities such as; water sports, paddle, golf and of course the indoor shopping center Dos Mares is always nice to visit.
