Unique concept house in the municipality of Mazarron. A detached villa with 2 bedrooms and 1 bathroom, private roof terrace and a very beautifully landscaped garden. The stone staircase leads down to the guest house, which is actually a separate house with 1 bedroom, 1 bathroom, kitchen and open living room. The living room opens onto a private garden. This is a house with many possibilities. The small-scale complex has its own communal swimming pool. Daily amenities can be reached within a few minutes' drive.
